

■ SD-Road Lights

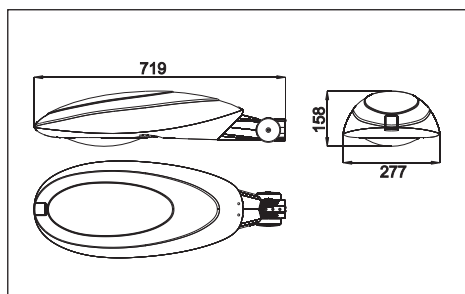

RL-1511

Road lights luminaire made in modern design for today fully adjustable to deliver light precisely where it is needed Main applications for Motorways, Major roads, minor roads, roundabouts, crossings and industrial areas.

For metal halide lamps or high pressure sodium for Max.150W G12 lamp holders. Die cast aluminium body coated with polyester in grey color.

Reflector made of highly pure aluminium sheet, polished and anodized.

Please contact our sales office for further details.

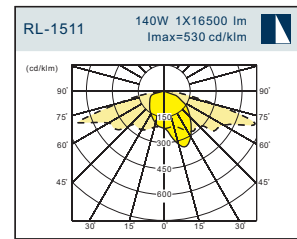

RL-1511

Lamp: MH 70/150W G12 / CPO-T 140W PGZ12

Reflector: Asymmetry Width

IP65

Road lights luminaire made in modern design for today fully adjustable to deliver light precisely where it is needed Main applications for Motorways, Major roads, minor roads, roundabouts, crossings and industrial areas.

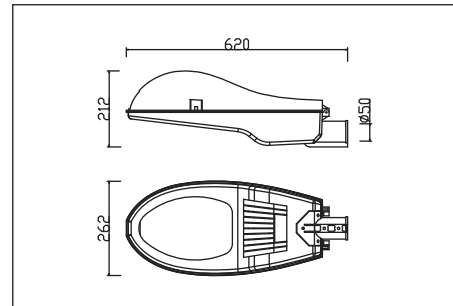

For metal halide lamps or high pressure sodium for Max.400W E40 lamp holders. Die cast aluminium body coated with polyester in grey color.

Reflector made of highly pure aluminium sheet, polished and anodized.

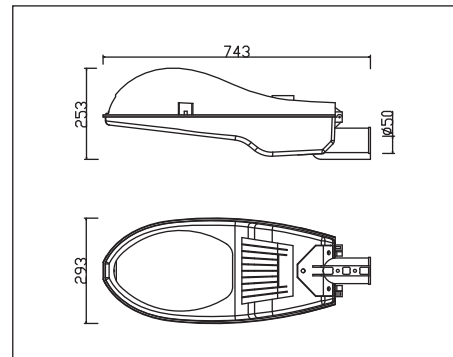

Please contact our sales office for further details.

Lamp: MH 400W E40

Reflector: Asymmetry Width

IP65      

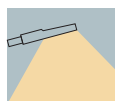

RL-1211

Road lights luminaire made in modern design for today fully adjustable to deliver light precisely where it is needed Main applications for Motorways, Major roads, minor roads, roundabouts, crossings and industrial areas.

For LED lamps 144x1W.

Die cast aluminium body coated with polyester in grey color.

Please contact our sales office for further details.

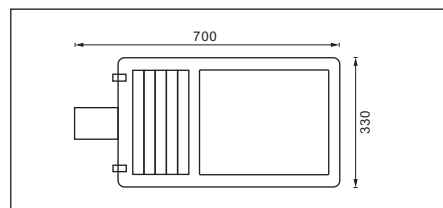

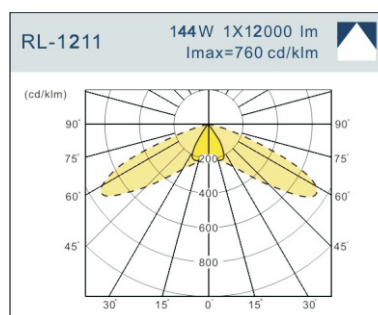

RL-1211

Lamp: LED 144 X 1W

Reflector: Asymmetry Width

IP65

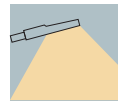

RL-1311

Road lights luminaire made in modern design for today fully adjustable to deliver light precisely where it is needed Main applications for Motorways, Major roads, minor roads, roundabouts, crossings and industrial areas.

For LED lamps 144x1.25W.

Die cast aluminium body coated with polyester in grey color.

Please contact our sales office for further details.
