

A photograph of an outdoor courtyard. The background is a wall made of dark, stacked stones. Three long, dark wooden planters are mounted on the wall, each containing green plants. A square, wall-mounted light fixture with a white, vertically-slatted cover is mounted on the stone wall. In the foreground, there are two dark wooden benches with slatted tops. To the right, there are two large, dark, rounded ceramic pots. A white door frame is visible on the right side of the image.

■ SD-Wall Lights

## WL-0111

A range of slim circular luminaires for wall or ceiling mounting. They provide good light outside or in rooms where a high degree of protection is required. For incandescent or fluorescent Max.2x26W 2xG24d lamp holders. Die cast aluminium body coated with polyester in white, grey, black color. Reflector made of highly pure aluminium sheet, polished and anodized. Please contact our sales office for further details.
